### SECTION 1 - GOATS

#### CLASSES:

#### 1. Best Presented – Any Breed (2 Entries)

1 <sup>st</sup>	Goat 20	Empreco Zeus - Zoe Hayes
2 <sup>nd</sup>	Goat 19	CD'S Zarlee – Zoe Hayes

**Comments:** The goat in first place is a very nice little buck and is presented very well. I chose him over Goat 19 because he has been trimmed a bit shorter in the rear end and rear legs which presents him just that little bit better. They are both very nice little animals.

#### 4. Wether over 12 months – Any Breed (3 Entries)

1 <sup>st</sup>	Goat 14	Pippinwood Billy – Karen Cartwright
2 <sup>nd</sup>	Goat 9	Pickwill Little JJ – Corine Grooms
3 <sup>rd</sup>	Goat 8	The Woolshed Monkey – Corine Grooms

**Comments:** I have chosen goat 14 in first place because he has good straight and strong legs and feet. He stands very square and has a nice level topline.

I have chosen Goat 9 in second place even though he is more masculine than the other two. His topline isn't as level as the goat in first place and he is a little steeper in the rump.

Goat 8 is in 3<sup>rd</sup> place because his legs aren't quite as straight as the goat in first place and his rump is a little steeper. They are all 3 very handsome boys.

## DOES

### INTERMEDIATE DOES 6 TO 12 MONTHS:

#### 13. AUSTRALIAN MINIATURE Kid Doe 6 to 12 months (1 Entry)

1<sup>st</sup> Goat 15 Kokoda Terrific Tracy – Kathryn Champness

**Comments:** Even though there is only one doe in the class, she is very deserving of 1<sup>st</sup> place. She is a very stylish little doe. She blends smoothly throughout and has a nice level topline. She is a little steep in the rump, but she could be having a bit of a growth spurt and this could level out as she matures. She is a lovely little doe.

#### 16. PYGMY Kid Doe 6 to 12 months (5 Entries)

1<sup>st</sup> Goat 22 Lovely Banks Siggy – Kathryn Champness

2<sup>nd</sup> Goat 19 CD's Zarlee – Zoe Hayes

3<sup>rd</sup> Goat 25 Stella Park Poppy – Renae Carter

**Comments:** I have chosen Goat 22 in 1<sup>st</sup> place because she is very stylish little doe and has the classic Pygmy appearance in type and shape. She is very cobby and solid looking with very nice strong legs and pasterns. She stands very square and has good width. She is a very nice representation of the breed.

In 2<sup>nd</sup> place I have chosen Goat 19. Even though she is longer in the legs she has a nice short body with good width. She stands very square and again this doe has straight and very strong looking legs and pasterns.

In 3<sup>rd</sup> place I have chosen Goat 25. She has the pygmy appearance with a short body and legs. She looks to be the youngest in the line up and I think she will mature into a very nice little doe.

All the does in this class were lovely does and it was a hard class to choose the placings.

#### 17. NIGERIAN DWARF Kid Doe 6 to 12 months (4 Entries)

1<sup>st</sup> Goat 28 Tippy Toes Wingardium – Lesley Richards

2<sup>nd</sup> Goat 26 Tippy Toes Dotty – Lesley Richards

3<sup>rd</sup> Goat 27 Tippy Toes Raven – Lesley Richards

**Comments:** I have chosen Goat 28 in first place. She is a very feminine and elegant looking doe. She has a well-proportioned dairy appearance which blends harmoniously. She has a very nice topline, good length of body and strong, straight legs with her rear legs set wide apart.

In 2<sup>nd</sup> place is Goat 26. She is a very elegant and stylish looking doe. She has good brisket and she blends nicely with a very nice dairy appearance. She stands very square and good width in her rear legs.

In 3<sup>rd</sup> place is Goat 27. Again, she is a very stylish and elegant looking doe. She has good length and width of body.

All the does in this class are lovely looking does. They are all good representations of the breed and very good quality does.

1 <sup>st</sup>	Goat 30	Disney Princess – Lesley Richards
2 <sup>nd</sup>	Goat 29	Tippy Toes Liberty – Lesley Richards

**Comments:** These are two very nice looking does. They are both very feminine looking and good representatives of the breed. Goat 30 has straighter rear legs which is more desirable and a bit more length to her body which puts her above Goat 29. They both have the elegant appearance of the Miniature Anglo Nubian and strong looking bone structure which blends harmoniously. They are both very nice looking does.

### **21. ELF Junior Doe 1 to 3 years (3 Entries)**

1 <sup>st</sup>	Goat 12	Scribbly Gum Maddy – Corine Grooms
2 <sup>nd</sup>	Goat 11	Scribbly Gum Nay – Corine Grooms
3 <sup>rd</sup>	Goat 10	The Woolshed Fudge – Corine Grooms

**Comments:** All three does have beautiful Elf ears with the points pointing downwards which is most desirable in the breed.

I have chosen Goat 12 in 1<sup>st</sup> place. She is a very strong, well proportioned doe with a very proud stance. She has good strong looking legs and stands squarely with good width. She is a really lovely looking doe.

Goat 11 is in second place. She is a very pretty doe with all the attributes of the goat in first place. She just appears to not have as much width.

The doe in 3<sup>rd</sup> place is also a very nice looking doe. She appears to lack a bit in bone strength compared to the other two and her rump is a little steeper. They are all very nice little does.

### **23. PYGMY Junior Doe 1 to 3 years (2 Entries)**

1 <sup>st</sup>	Goat 23	Rivergate Remington Run – Zoe Hayes
2 <sup>nd</sup>	Goat 24	Rivergate Tilly – Zoe Hayes

**Comments:** These are both very nice little does they are both very similar quality. I placed Goat 23 in 1<sup>st</sup> place because she has a little better topline and the slope of her rump is little less steep.

They both have very nice heads, ear size and placement, and both stand very squarely on strong legs.

### **24. NIGERIAN DWARF Junior Doe 1 to 3 years (3 Entries)**

1 <sup>st</sup>	Goat 32	Tippy Toes Hermione – Lesley Richards
2 <sup>nd</sup>	Goat 31	Tippy Toes Charmed – Lesley Richards

Goat 31 is in 2<sup>nd</sup> place. She is a very elegant and stylish doe. She is very nicely blended and good width and length.

Goat 13 is in 3<sup>rd</sup> place. She appears a bit heavier boned than the other two does but is a very attractive little doe. She has a less of the dairy appearance which is desirable with this breed.

## ADULT DOES OVER 3 YEARS & OVER: (MUST HAVE KIDDED)

### 27. AUSTRALIAN MINIATURE Adult Doe over 3 years (1 Entry)

1<sup>st</sup> Goat 7 The Woolshed Patch – Corine Grooms

**Comments:** Even though there is only one entry in this class, Goat 7 is very deserving of 1<sup>st</sup> place. She is a well boned, strong looking doe with good width and strong legs. She stands squarely and has good width and depth to her body.

She is a very nice little doe.

### 28. ELF Doe over 3 years (2 Entries)

1<sup>st</sup> Goat 6 Briawell Shilo – Corine Grooms  
2<sup>nd</sup> Goat 5 The Woolshed Curly – Corine Grooms

**Comments:** Both of these does are very strong looking does with good shape and structure. Goat 6 is a little bit wider in the body with a good strong brisket and straight, strong legs. Both does a very nice does, with good teat placement and compact udders which are most desirable for the breed.

### 31. NIGERIAN DWARF Adult Doe over 3 years (2 Entries)

1<sup>st</sup> Goat 34 Stoney Creek Skyfall – Lesley Richards  
2<sup>nd</sup> Goat 33 Tippy Toes Marshmellow – Lesley Richards

**Comments:** I have placed Goat 34 in first place. She is a very elegant looking little doe, with good length of body. She has nice width and an elegant dairy appearance. Her udder is a bit lop-sided, but this could be due to feeding a kid. Goat 33 in in 2<sup>nd</sup> place. She is also a very nice elegant looking doe. She isn't standing as well in the photos but has good length of body and good width.

It wasn't easy to chose between these two does because they are both very nice quality does.

## BUCKS

### KID BUCKS UNDER 6 MONTHS:

### 37. PYGMY Kid Buck under 6 months

1<sup>st</sup> Goat 21 Shirley's Way Pickle – Amanda Camilleri

**Comments:** This little boy is very deserving of a 1<sup>st</sup> ribbon even though he is the only entry in the class. He has a very proud stance and is already looking very masculine. He has a solid build and is well proportioned with good width and appears very well blended. He has good strong and straight legs with his feet spaced well apart and square.

## INTERMEDIATE BUCKS 6 TO 12 MONTHS:

### 42. ELF Kid Buck 6 to 12 months (1 Entry)

1<sup>st</sup> Goat 4 Pippinwood Ripp Lee – Corine Grooms

**Comments:** Goat 4 was the only one in this Class, but he is very deserving of 1<sup>st</sup> place. He is a nice little buck with good bone structure and has the shorter, deeper body type of the Elf Goat. His ears are a little longer than mostly desired and they do not have the tip pointing down, but this can be improved when pairing him to does with the more correct ear type.

### 44. PYGMY Kid Buck 6 to 12 months (2 Entries)

1<sup>st</sup> Goat 1 Pine Creek Rebel – Karen Rose

2<sup>nd</sup> Goat 20 Empreco Zeus – Zoe Hayes

**Comments:** Goat 1 is in first place. He is a very masculine looking buck with a short cobby body. He is shorter in the legs than Goat 20 and appears to be a bit more solid with stronger bone.

Goat 20 is in 2<sup>nd</sup> place and he is also a very nice boy. He's a little longer in the legs and doesn't have as much of a barrel body and this is the reason Goat 1 was placed higher.

### 45. NIGERIAN DWARF Kid Buck 6 to 12 months (1 Entry)

1<sup>st</sup> Goat 18 Tippy Toes Robin – Ely McCarthy

**Comments:** Goat 18 is a very nice boy and is very deserving of 1<sup>st</sup> place even though he is the only entry in this class. He has good length of body and has a very proud stance. He has good straight legs, strong pasterns and has good width of body.
